

Where can I find the EAN number of the product?

Joachim Ulbrich - 2021-02-03 - Warranty Extension

The EAN/UPC number of your product is a code of up to 14 digits that can be found on the product packaging or on the back of your product. It is usually the number printed under the barcode of the type "1012180S0000XX" where XX is your personal product number.
